PAINTED GALVANIZED STEEL OUTDOOR RACK

STORM SERIES IP66

Example

Approval for Outdoor Use

The Storm Series is designed for installation in urban and inter-urban areas, protecting the electronic equipment required for lighting, signage and video surveillance.

The Storm Series are characterized by their high strength and spacious interior, with its manufacturing, getting width and height than the rest useful. They are equipped with waterproof seal on exterior doors approved allowing sealing and internal stability ideal for placement in areas of extreme temperatures and harsh weather environments temperature. It is made of painted galvanized steel RAL 7035 and incorporates a vandal handle made of a highly resistant material against vandalism and forced openings. The interior design allows easy placement of racks, mounting plates or separators.
