### Delvalle Supplies any Measurements Required

Delvalle knows the needs of our customers and for this we've created the panoramic wall mounted LuxorTedeo Series completely stainless steel cabinet, with two or three doors AISI 304L EN 14306. The cabinet design follows the same philosophy of sealing and strength as our other electrical cabinets but this time focusing on their horizontal integration in the machinery use for both above and below use. High performance stainless steel used to offer quality, reliability and consistency and by following strict manufacture controls without forgetting the satin or brushed finish and the option of RAL 7035 polyester painting make it ideal for outside use.
