STAINLESS STEEL DISMONTABLE CONSOLE

ATRIUM SERIES IP66

Examples

Wide Variety of Accessories

Dismontable console Atrium Series, elegant and functional, made up of 3 parts so as to choose what best suits the need in each installation. Easily accessible for the operator. Manufactured in stainless steel, with a design allowing IP66 (W) (one door, IP55 two doors) and maximum resistance of IK10.

Top door with shock absorbers which make opening easier, with dismantable bottom and hidden hinges.

The drainage channel ensures liquids don't come into contact with the polyurethane joint sealings. Front door opening to 130° giving easy access, for door opening standard 5mm double bit fastener.
